1. Purpose

- 1.1. This policy sets out the framework for the application of closed circuit television (CCTV) surveillance systems installed on all UCOL campuses, and has been created to protect the privacy of individuals and comply with UCOL’s legal obligations under the Privacy Act 2020. The policy aims to follow best privacy practice to ensure that any image captured, collected and stored are handled in a confidential manner that protects an individual’s privacy.

2. Organisational Scope

- 2.1. This policy applies to all UCOL staff, students, contractors and visitors who may enter UCOL campuses.

3. Responsibilities

Role:	Responsibilities:
Facilities Management Team	<ul style="list-style-type: none">• Have overall responsibility for overseeing the implementation of this policy.• Work with authorised personnel for the administration and implementation of this policy.• Work with the Privacy Officer to ensure UCOL complies with the Privacy Act 2020.• Be responsible for deciding operating hours and locations of CCTV.• Ensuring that UCOL staff are trained in respect of CCTV related matters.
Privacy Officer	<ul style="list-style-type: none">• Provide guidance to the Facilities Management Team as and when required.

4. Policy Statements

4.1. Objectives

UCOL aims to provide a safe and secure environment to protect its staff and students by using CCTV to:

- To increase personal safety of staff, students and visitors and reduce the fear of crime;
- To protect UCOL buildings and assets;

- To assist Senior Managers investigating student and/or staff related incidents;
- To support the Police in a bid to deter and detect crime, assist in identifying, apprehending and prosecuting offenders;
- To protect members of the public and private property;
- To assist in managing UCOL, particularly areas with high health and safety risks;
- The CCTV may also be used for ancillary purposes such as resource allocation and management.

4.2. Privacy Act

The operation of CCTV means that images and/or sound recordings of identifiable individuals will be collected, held and disclosed by UCOL. Compliance with the Privacy Act 2020 and the Privacy Principles is required by all UCOL staff. A Privacy Notice attached as [Appendix I](#) will be available to the public on the UCOL website or in hard copy at the Facilities Management office.

4.3. The System

- 4.3.1. The system may comprise, but not limited to, a range of: fixed position cameras; pan tilt and zoom cameras; sound recorders; monitors; multiplexers; digital recorders; public information signs.
- 4.3.2. Cameras will be located at various places on the campus, and may be relocated from time to time. CCTV may cover (but is not limited to):
- Atrium/Learning hub/Library spaces
 - General circulation/corridors/hallways
 - Areas where cash, high value equipment, and high value information are stored or handled
 - Areas where staff interact with students and/or the public
 - Areas with high risk equipment, processes, or chemicals e.g. kitchens, labs, trade training areas
 - Car parks and bike racks
- 4.3.3. No camera will be hidden from view.
- 4.3.4. Signage advising of CCTV equipment will be installed at entry points to the campus and close to the cameras where practicable. See [Appendix II](#) for a sample. The UCOL website will also notify visitors that CCTV is operating on UCOL campuses.
- 4.3.5. Any staff or student incidents or misconduct detected by CCTV will be handled in accordance with UCOL Policies and Procedures.
- 4.3.6. Any criminal activity recorded on CCTV will be handled in accordance with UCOL's Criminal Reporting Policy.
- 4.3.7. The placement of any and all CCTV equipment will not unreasonably intrude on the privacy of individuals. For example, CCTV will not be used in areas such as bathrooms or changing areas, or in areas where activities like massage are taking place, or in Staff Studios.
- 4.3.8. CCTV footage will only be viewed by authorised personnel who have first sought permission of a Facilities Management manager.
- 4.3.9. Footage will be viewed in accordance with the purpose of the cameras as detailed in this policy.

- 4.3.10. If cameras are located in classrooms or teaching spaces, footage will not be used to monitor teaching performance.
- 4.3.11. Managers may view real time and recorded data that cover areas that they manage, but may not keep recordings without going through the access storage and use process set out in this policy.
- 4.3.12. Managers must apply in writing giving reason(s) why they require real time and recorded data.
- 4.3.13. Any or all cameras and sound recorders may operate 24 hours per day, 7 days per week.

4.4. CCTV footage access, storage and use

- 4.4.1. CCTV footage is stored on a secure hard drive or similar storage device.
- 4.4.2. Access to the server is restricted by UCOL IT policies.
- 4.4.3. CCTV footage will record on the hard drive for no more than **60 days** before being overwritten in a continuous recording cycle. Where an incident or suspected incident has been identified, and with the approval of a Facilities Management manager, a portion of the footage is to be retained for that incident.
- 4.4.4. Any written request by an individual for a copy of the footage identifying them personally will be referred to Facilities Management management for consideration. An application form is attached in Appendix III for use by staff and students. Any response to a request will include considerations of the ease of access to the footage, and the need to protect other people's privacy. If a request for a copy of the footage is unable to be granted without unreasonably breaching others' privacy, a written description may be provided of activities in the footage pertaining to the individual requesting the information or a viewing of footage may be arranged. Any request will be responded to within 20 working days.
- 4.4.5. The management of Facilities Management will allow access only of relevant CCTV footage to:
 - Authorised personnel of UCOL who have requested footage in terms of this policy;
 - Contractors on site specifically to work on the CCTV equipment at the request of Facilities Management;
 - New Zealand Police or other public sector agency such as the Privacy Commissioner; and
 - Individuals who have formally requested information pertaining to themselves at the authorisation and direction of the Privacy Officer.
- 4.4.6. When a request for access to the CCTV has been received and if the footage can be located, UCOL will take measures to ensure the relevant footage is saved.
- 4.4.7. UCOL will take reasonable steps to ensure that public disclosure does not occur (i.e. not upload footage to internet, not publish still images in newspapers, not circulate it widely by email) unless the Police want it public.
- 4.4.8. UCOL staff will take reasonable steps to check CCTV images are accurate, complete, relevant and not misleading before using them.
- 4.4.9. All access to CCTV images will be logged where access is not made by a UCOL staff member.

4.5. Complaints

- 4.5.1. Any complaint about the CCTV will be received and managed in accordance with UCOL's formal complaints processes.
- 4.5.2. Any complaint is to be forwarded in writing to Facilities Management.
