

CAR PARKING INFORMATION

Car parks are provided for student and staff members of UCOL only. All vehicles must be registered and display a current year UCOL car parking sticker on your vehicle and/or the pay and display ticket.

You will be required to complete a vehicle registration form on presentation of your UCOL student/staff ID card before a car parking sticker is issued. These forms are available at the Student Resource Centre, Te Hirawanui, Block 4 Ground Floor. Stickers are to be placed on the right rear side of the back window.

Free carparking is provided in Amesbury Street (rear of Jensen, Block 10) and off Grey Street (behind Griggs funeral home).

Pay and display parking is provided in three separate areas off Queen Street. One of these parking areas is a short term park (4 hours) and the remainder are all day car parks.

The charges are \$2.00 per day for all day parking and \$1.00 per half day in short term parking.

Place the current pay and display ticket in plain view on the vehicle dashboard – failure to do so could result in the vehicle being towed at the owners risk and expense. Retrieving a vehicle from the Towing Service is both costly (\$150.00) and inconvenient. We strongly advise compliance with UCOL car parking policy.

Any vehicles parked illegally, ie, blocking traffic, parked in entranceways and parked longer than 30 minutes in the 30 minute parks will be towed immediately.

Car pooling is available for those who genuinely car pool and this park is situated in the front of Jenssen, Block 10 Princess Street. These parks are free to users and are monitored each day. Car pooling permits are to be displayed with an expiry date. These permits are available from the Site Office, Block 6-0-29.

There are disabilities car parks provided in all parking areas however, mobility cards must be displayed at all times.

UCOL staff and students can travel FREE on the Palmerston North buses – just show your ID.
