

UCOL staff and students working at Palmerston North Hospital are able to access **MidCentral staff car parking areas** at staff rates.

These include:

Weekly option – \$10 per week.

Casual options – such as \$3 a day; or cards for 'intermittent use'.

To get the discounted (staff) rate you will need to enter through **Gate 1** (Heretaunga Street), turn right and go to the **Wilson's Car Park Office (a Portacom building on the left by Rimu)** to purchase a ticket (payable by cash, EFTPOS or Credit Card). You must produce your **UCOL ID card** to get the discounted staff rate. You cannot pay for staff parking at the automatic pay machines.

You **must** park in the Staff Parking areas as indicated in the attached link and not the orange public parking areas.

If you choose to park in a public parking area then you must pay public parking rates (costs vary from \$2.00 for the first 30 -60 mins to \$8.00 for 5–8 hours). You can enter and exit the public car park within the first 30 minutes at no cost. Parking rates are widely displayed at the entrances to the hospital.
