U-SKILLS 3+2

U-SKILLS 3+2

3 days a week at UCOL and 2 days a week at school

3+2 students have the chance start their apprenticeship while still at school and/or gain a tertiary qualification. You will spend 3 days-a-week at UCOL and 2 days-a-week at school as you work towards a New Zealand Certificate in a particular career pathway.

Designed for: Students who are looking to gain hands on experience and begin the transition from school to tertiary study.

Benefits: Gain a FREE relevant tertiary qualification while still at school. Build on previous achievement and experience at NCEA and or U-Skills Trades Academy. Still be enrolled at school.

Where does 3 + 2 lead? Higher level of study (i.e. Level 4 and above), apprenticeships or employment.

To apply: Students use the standard U-Skills application process and forms however please indicate 3 + 2 in the programme applying for section along with the full programme name.

For further information please email u-skills@ucol.ac.nz
