

## 2017 School Scholarships

---

10 November 2016

Students of select high schools in Manawatu, Wairarapa and Whanganui are invited to apply for UCOL's 2017 School Scholarships.

Aimed at supporting the retention of talented students within our region, the application process involves submitting a video of up to two minutes, and must include:

- Students' career aspirations
- How they make a difference outside of the classroom
- Why they are worthy of a scholarship
- An endorsement from one of their teachers and/or sport coaches.

The scholarships range in value from \$2,000 - \$9,000 and are subject to full-time enrolment at UCOL, availability and acceptance.

Twenty two schools have received information and USBs for students to submit their applications on.

Schools with enquiries about any of the 2017 UCOL scholarships on offer can contact UCOL External Relations Coordinator Jason Crafar – [j.crafar@ucol.ac.nz](mailto:j.crafar@ucol.ac.nz).
