

U-Skills 3+2

U-SKILLS 3+2

3 days a week at UCOL and 2 days a week at school

3+2 students have the chance to gain a tertiary qualification and in some cases start their apprenticeship while still at school.

You will spend 3 days-a-week at UCOL and 2 days-a-week at school as you work towards a New Zealand Certificate in a particular career pathway.

Designed for: Students who are looking to gain hands-on experience and begin the transition from school to tertiary study.

Benefits: Gain a FREE relevant tertiary qualification while still at school, build on previous achievement and experience at NCEA and/or U-Skills Trades Academy, and still be enrolled at school.

Where does 3 + 2 lead? Higher level of study (i.e. Level 4 and above), apprenticeships, or employment.

To apply: Students and schools follow the usual U-Skills application process however there is a specific 3 + 2 application form. For further information, please email u-skills@ucol.ac.nz
