## Our support services

We aim to inspire students, businesses, and communities to succeed. This can only be achieved by making our people feel part of the UCOL Te Pūkenga whānau.

### Te Mana Tauira Student Success

We are here to help our students succeed.

Student Success offers a wide range of free services to support, encourage, guide, and help you on your journey to success.

### Wellbeing Hub

Physical and mental wellbeing plays a big part in students' success, in the classroom and in life. Each UCOL campus has specialist Wellbeing staff who can provide assistance themselves or refer you to organisations that support your physical, psychological, and social wellbeing.

### Library and Learning Hub

The Library and Learning Hub provides a range of services to enhance students academic skills across all levels and areas of study, teaching, and developing skills that can be used throughout the UCOL journey, and beyond.

UCOL libraries contain a wealth of information that is designed to provide vital knowledge for all students and our Library staff are focused on developing students' information management and research skills.

### Student Engagement Hub

The Engagement Hub provides additional support for students here at UCOL. They provide support for international students, students with additional learning needs, and Youth Guarantee Scholarship recipients. In addition, Kaituhono | Navigators walk with students to reach their goals.

## Ngā akoranga Our programmes

UCOL Te Pūkenga offers over 100 programmes of study and new programmes are being developed each year to make sure we offer something for everyone, and that we are meeting the training needs of industry.

### Level guide

## Fees-free study

### One Year Fees-Free

If you attended secondary school in Aotearoa New Zealand before or after 2020, you might be eligible to receive fees-free study for a period of one year, which includes most UCOL Te Pūkenga courses.

### Training Incentive Allowance (TIA)

If you are on a Government benefit, you may be able to access the TIA - this allowance can help cover some of the costs of studying, and doesn't have to be paid back.

The TIA can help with things like tuition fees, books, equipment, transport, childcare, and care costs while studying. TIA is available for all courses at levels 1-7 (which includes certificates, diploma, and degree-level study) of the New Zealand Qualifications Framework.
